In the space below or on a separate sheet of paper, please explain how this workshop will benefit you and why you need the financial assistance.

We work hard to raise scholarship money throughout the year and will not know how much money we have to award until closer to the start of the workshop. Our policy is to award partial scholarships (of about \$100) to help as many students as we can to participate in this wonderful experience. To ensure full consideration of your application, mail or fax your application by June 1, 2018 to the following address:
